---

Dear Wonderful Patients and Friends,

After 41+ wonderful years of medical practice and caring for you, I announce that I am retiring effective December 10, 2026. I am honored and deeply grateful for the opportunity to have cared for you throughout these decades.

When I first started this practice, I never imagined the special bonds I would form with so many of you. I have enjoyed the privilege of providing ophthalmic care for so many over the years. The relationships that I have built during that time have made my career truly meaningful, and leaving these relationships will be the most difficult aspect of retirement.

As I enter this exciting new chapter of retirement, I want to assure you that your care will continue uninterrupted. Dr. Chronister, Dr. Smith, Dr. Scavo, Dr. Kolisetty, Dr. Bronner, and Dr. Brandt and the well-trained technicians of Focus Eye Group will continue serving your eye care needs. Nothing needs to change from your perspective — your records will continue to be maintained by Focus Eye, and the providers and staff you know and trust are still here for you.

I encourage you to continue with your regularly scheduled eye care. Any transition to another provider will be seamless and you will receive the continuing highly specialized care you have come to expect from Focus Eye.

If, for any reason, you would like a transfer of your records to another ophthalmology provider, please contact the office for information on how to achieve a transfer. Thank you very much for allowing me to be part of your care. It has been an honor to know you.

With warm regards and best wishes,

A handwritten signature in black ink that reads "Steven K. Luminais". The signature is written in a cursive, flowing style.

Steven K. Luminais, M.D.
